smaller machines that will be scheduled as they are ready starting Sept 12<sup>th</sup>.

If storage fees apply, they are charged at \$2/ft/mo.

Machines requiring containerizing or crating will be shipped to the Redmond warehouse for preparation there, at buyer's expense.

**Rigging and Removal:**

Note: Due to: a very short removal period, small facility and only 2 doors, Exclusive Rigging Provided By Redmond & Associates (905-671-8800).

The below noted rigging rates will be included on each invoice (all in US currency). Please contact Redmond for rates on any lot not listed below.

All equipment must be removed in a specific order as defined by Redmond. Purchasers must be ready to coordinate trucking and or receive purchases starting September 12<sup>th</sup>, all machines will be removed by September 29<sup>th</sup>.

**Process:**

Upon auction completion, all machines will be braced, set, disconnected from power and oils removed.

Buyers will be given a date and time to have their truck onsite for loading (minimum 3 day lead time – see approx. timing below), and this must be adhered to, or additional costs will apply as the equipment needs to be removed to allow for continued removal.

**Removal Schedule:**

\*Subject to changes by Redmond

Zone 1 – Sept 11-15

Zone 2 – Sept 16-20

Zone 3 – Sept 21-25

Zone 4 – Sept 25-29

Any machines without a zone identification are
